

# Technology Access Program

RET3's Technology Access Program (TAP) is intended to provide computers to non-profit organizations for use in training students, their families and other individuals that might not otherwise have access to learning how to use a computer and various computer applications.

IF you would like to make a request, please fill out the information below and submit it to RET3 for consideration. Please be specific in describing your program, facilities and training plans to help RET3 understand your program needs and ability to execute.
